Business Administrator

Mrs. Maris Lynn
Middle School Principal

Home of the Coyotes

Mr. Scott Sarraiocco
Supervisor of Curriculum & Data

June 29, 2020

Dear Parents,

I hope this message finds all of you well and enjoying the start of the summer break with family. Even though school is not in session, we are busy preparing for the start of the 2020-2021 school year. I am writing today to share an important update as we approach the July 4th holiday.

On Friday, June 26, 2020 Governor Murphy and New Jersey Department of Education Commissioner Lamont Repollet released The Road Back: Restart and Recovery Plan for Education- click [HERE](#) to view the reopening guidance.

After reviewing the guidance, I am able to report that our district's initial planning efforts put us on the right path to reopen schools in compliance with the provisions of the state plan. Over the next few weeks, we will engage the school community in actions to ensure our staff and students are fully prepared for the reopening. To begin, parents and students are invited to participate in the reopening planning process. This process was started in May with the formation of the district wide Transition Team. This team will spearhead our planning efforts and will play an active role in advising our reopening efforts. Please click [HERE](#) to indicate your interest in participating in the District Restart Committee, attending an informational session, or providing feedback.

We all know the old adage "It take a village to raise a child" and that phrase rings so true right now! Our combined "village" efforts will enable us to design and implement a reopening plan which works for Mullica.

Thank you for taking the time to review this information. I look forward to seeing and speaking with you again soon. In the meantime, I wish you good health and an enjoyable summer season!

Sincerely,

Andrew Weber
Superintendent of Schools
