

# Mullica Township School District

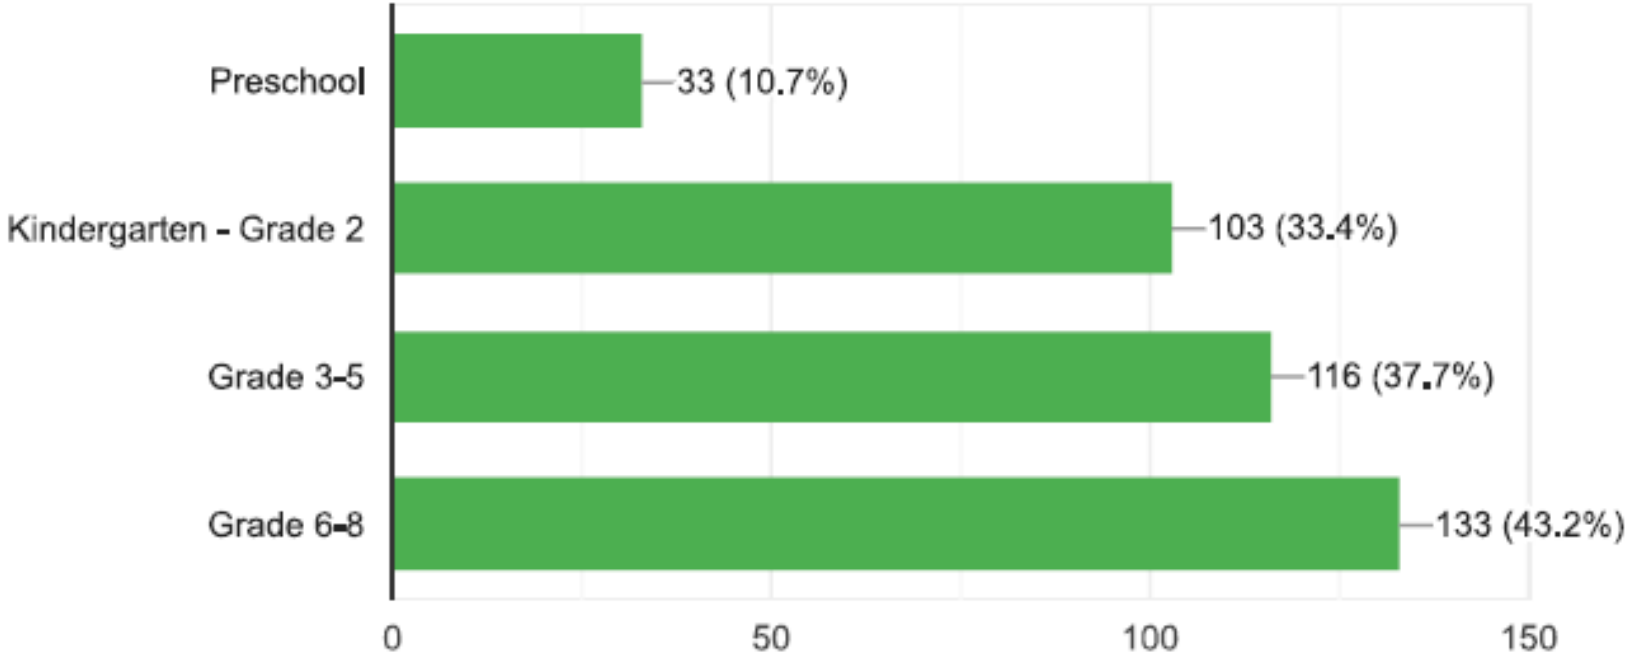

Stakeholder Input Survey  
2021-2022 Return to School Plan

June 2021

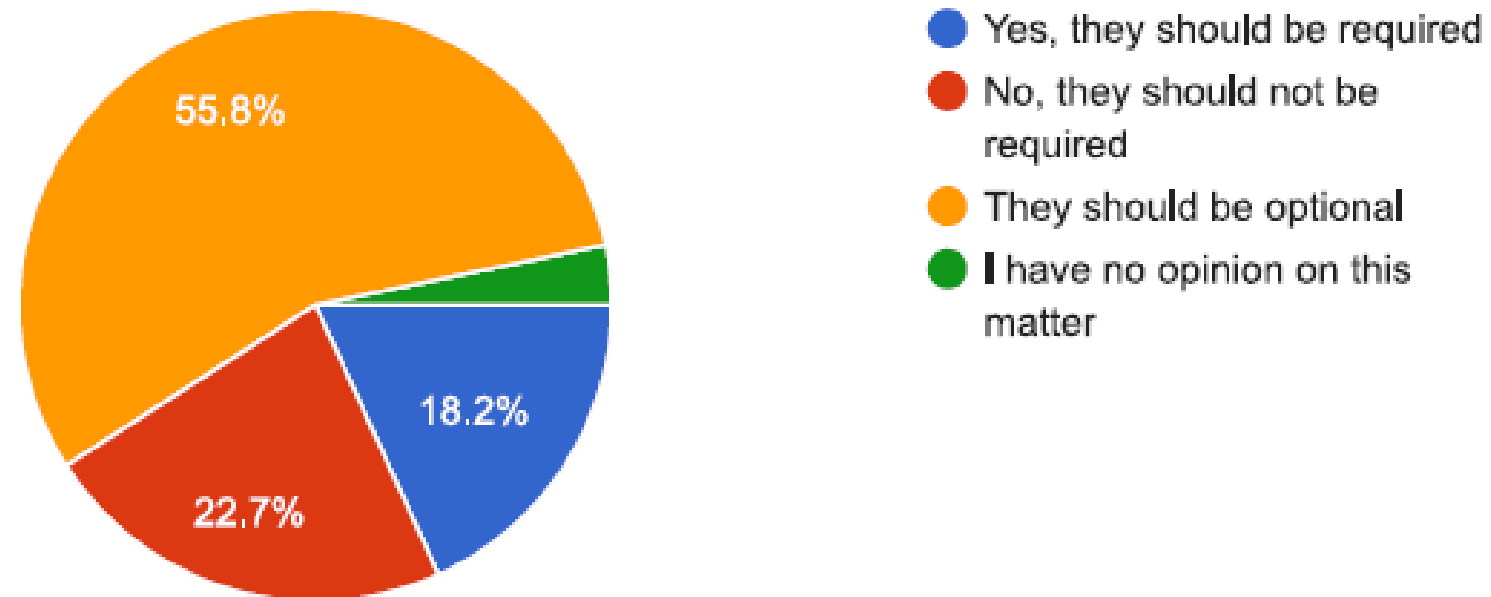

Grade level of child during 2020-2021 school year (Please check all that apply)

308 responses

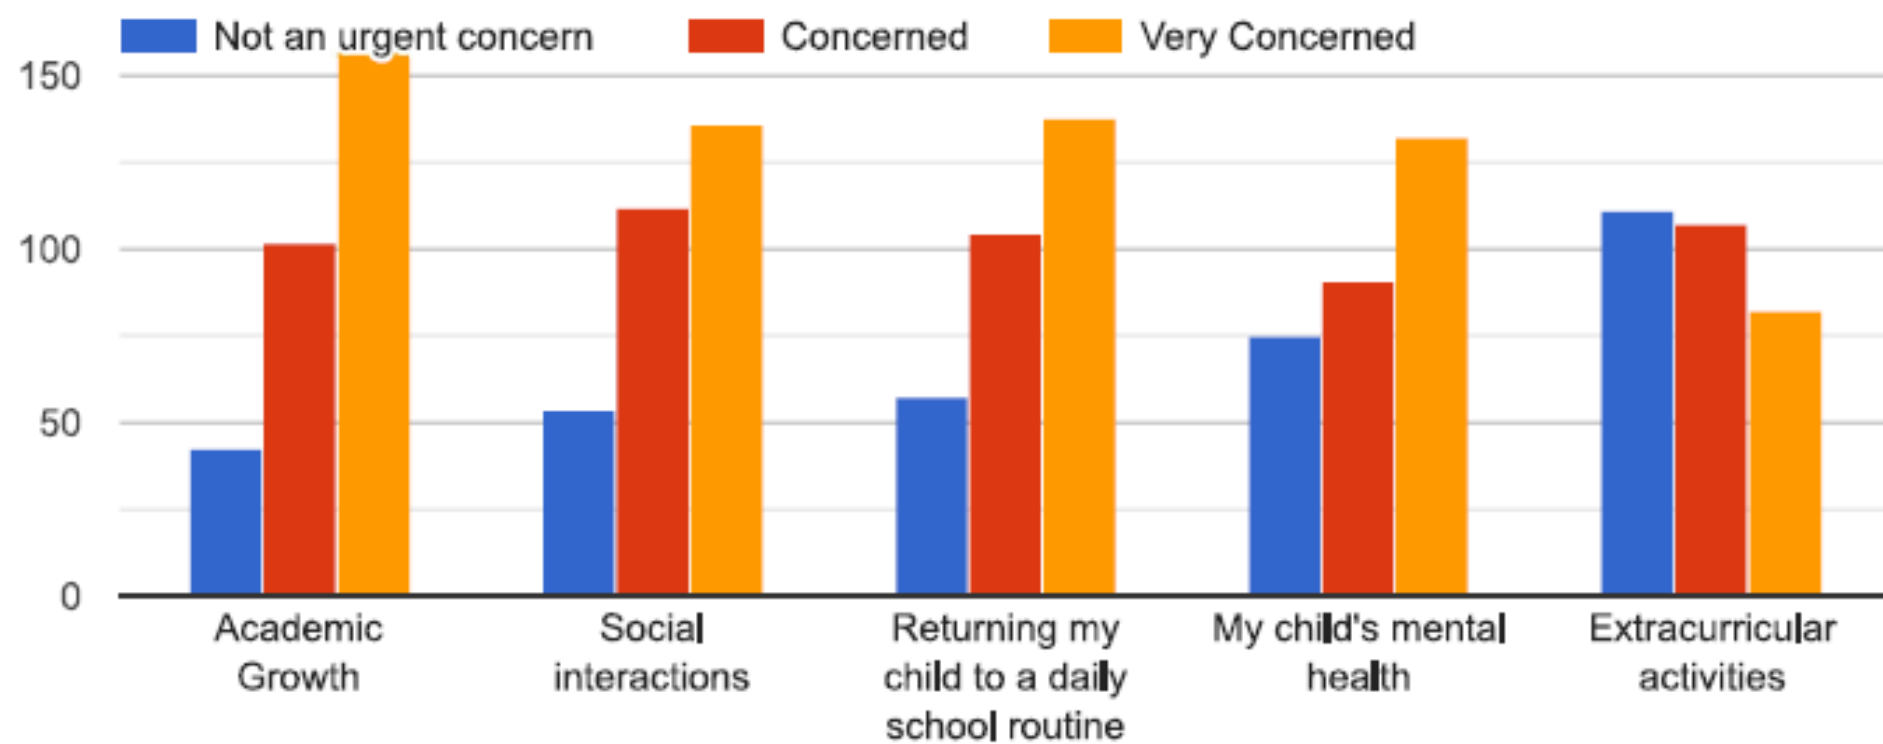

What is your opinion on whether students and staff should be REQUIRED to wear face coverings inside the school building next year (inside only)

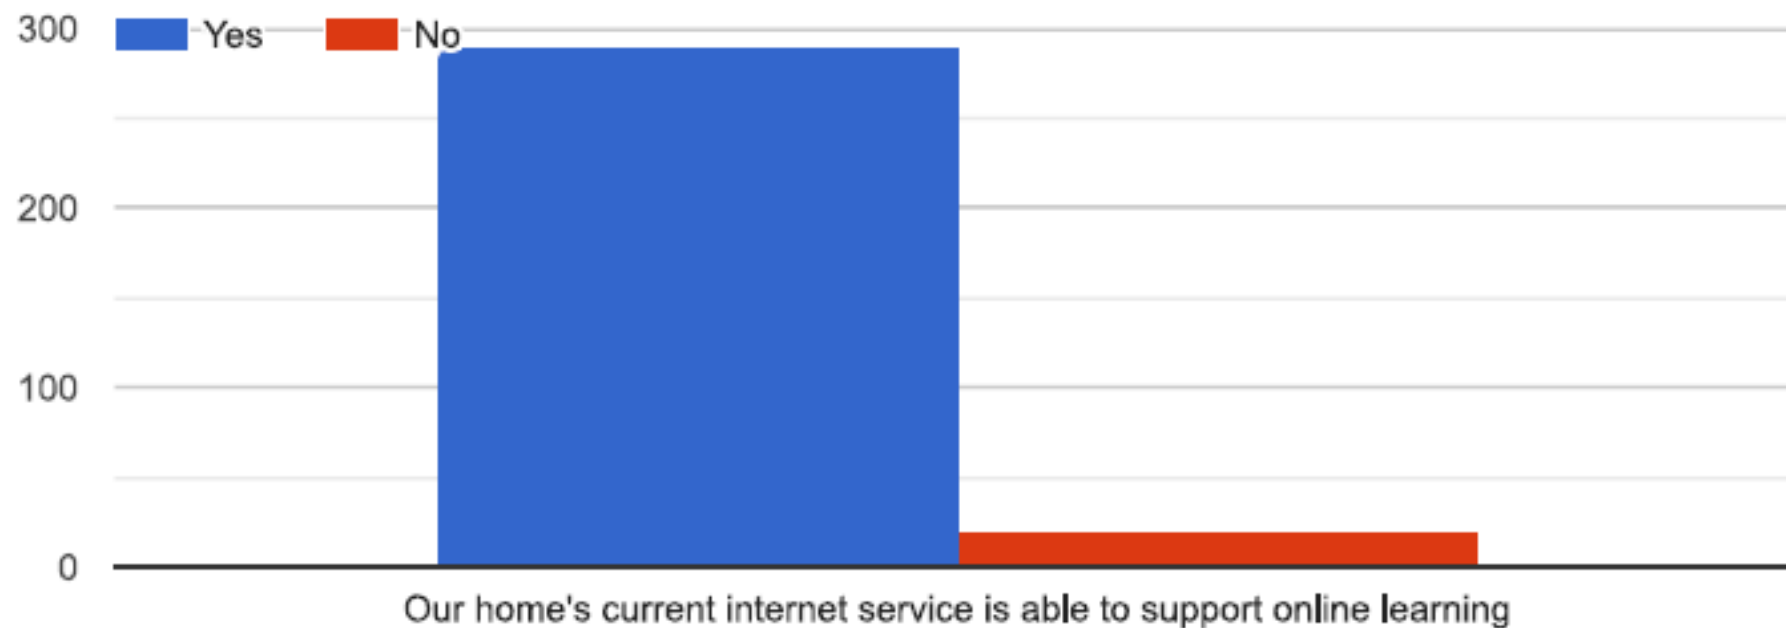

308 responses

Please indicate your level of concern on the following topics for next school year:

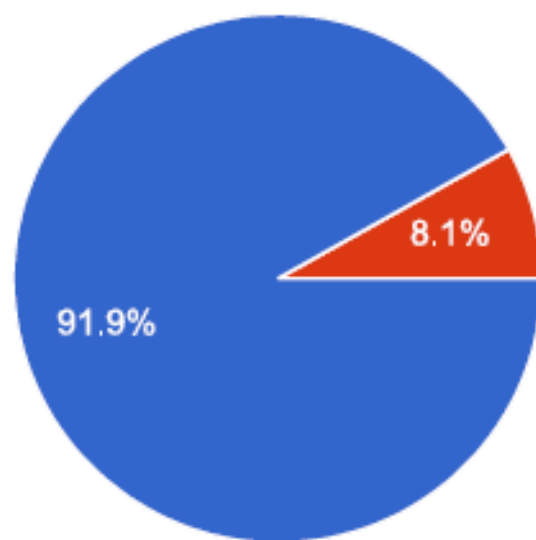

In the event the District would need to transition to a period of remote learning in the future:

If the District moved away from daily health screening forms, would you be comfortable screening your child for COVID compatible symptoms at home and keeping your child home when necessary?

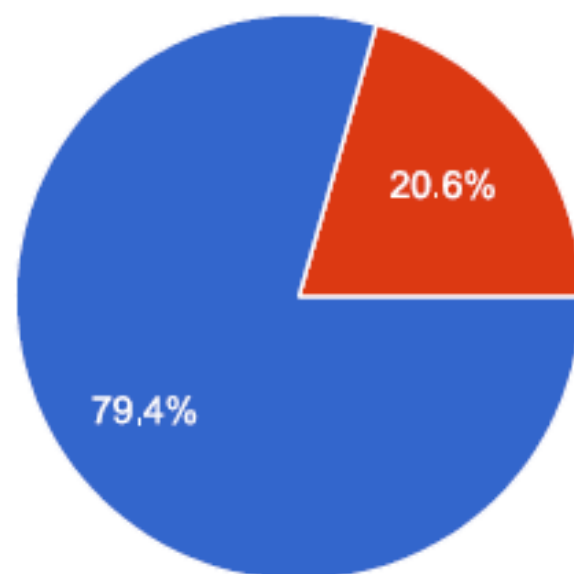

308 responses

- Yes, I would be comfortable conducting a daily health screening of my child
- No, I would prefer to keep the current practice in place
