Re: Food Service and Free/Reduced Lunch Applications

Dear Parent/Guardian:

Welcome Back!

Maschio's is once again managing food services for the district and have exciting things planned for the students. Liz Haeser is the food service director.

Meal prices for 2022-2023 have changed and are as follows:

	<u>Full Price</u>	<u>Reduced Price</u>
Breakfast	\$1.50	Free
Lunch	\$3.30	Free

The Lunchtime portal is available on the district website. The portal may be used to make payments on accounts, check balances, view transactions, and/or set limits for purchases. Parents/Guardians do not need to provide payment information if they are only viewing transactions, etc.

The Board of Education has adopted two policies, policy 8550 "Outstanding Food Service Charges" and policy 8540 "School Nutrition Programs". The information is available on the district website under District/Board of Education/Board Policy.

ALL LUNCH APPLICATIONS MUST BE COMPLETED ONLINE OR RETURNED TO THE SCHOOL BY 09/21/2022.

All students are now required to submit an application. If you have multiple children, only one application listing all students is required. Lunch applications are available online on the district's website at <https://www.mullicschools.com/department/cafeteria/>. If you would like a printed application, please contact Kelly Capaldi at 609-561-3868 x120 or by e-mail at kcapaldi@mullicschools.com.

You are not required to return a lunch application if you have received a direct certification determination letter from the district.

Please indicate on the lunch application if you are NOT APPLYING for free or reduced lunch. Include your name and the student's name when returning the application.

Please contact Kelly Capaldi, extension 120, with any questions regarding lunch applications. Please contact Liz Haeser, Food Service Director, extension 247, with any questions regarding the lunch program and student balances.

Respectfully,

Karen Gfroehrer
Business Administrator/Board Secretary
