and Data

Dear Parent/Guardians of Mullica Township School District Students:

As part of the Health Curriculum for the 2023-2024 school year students will take part in the NJ Standards Strand: Social and Sexual Health. We have included a detailed list of the topics that will be covered in the curriculum, a copy of the presentation from the September 15th parent meeting, and other information on our Curriculum website (mullicschools.com/curriculum).

In compliance with N.J.S.A 18:35-4-6, the opportunity is offered to parents and/or guardians who have objections to any part of the health curriculum detailed below to excuse their child. Mullica Board of Education Policy 5250 states, *“The Board of Education directs that a pupil be excused from any part of the instructions in health education, family life education, sex education, or instruction that includes dissection of animals that the parent(s) or legal guardian(s) of the pupil or the adult pupil finds morally, conscientiously, or religiously offensive.”* If you would like to exempt your child from this portion of the health curriculum, please fill out the form below. Exemptions will be granted as long as they are completed prior to the start of the lesson(s).

Thank you for your continued support. If you have any questions or need clarification please feel free to reach out to your child’s principal or myself.

Scott Sarraiocco
Supervisor of Curriculum & Data

I _____ choose to opt my child _____ out of the Social
(parent name) (student name)
and Sexual Health Curriculum lessons.
