In order to ensure that our students meet the immunization and physical examination requirements for school attendance, the New Jersey Department of Health in compliance with Administrative code N.J.A.C. 8:57-4, has issued the following requirements:

Prekindergarten/ Kindergarten requirements to start school:

- DTaP-minimum of 4 doses for **Pre-K**, booster for **K** after 4th birthday
- POLIO-Minimum of 3 doses for **Pre-K**, booster for **K** after 4th birthday
- MMR-1 dose for **Pre-K** after first birthday and a booster for **K**
- HEPATITIS B- needed for **K**
- VARICELLA- 1 dose for **Pre-k** after 1st birthday
- HIB- 1 dose for **Pre-K** after 1st birthday
- INFLUENZA- 1 dose **by Nov. 30 for all in Pre-K**
- PNEUMOCOCCAL- 1 dose **for Pre-k** after first birthday
- MENINGOCOCCAL- 1 dose **at 11th y.o./** to start 7 grade
- TDaP- 1 dose **at 11y.o./** to start 7th grade
- Completed Physical Exam

In reviewing your child’s health record, the items checked above are needed for the upcoming school year. Please make an appointment for the needed vaccine/exam with your MD. A letter of exemption -signed and dated- is acceptable, delivered to the health office. Failure of either proof of vaccine or exemption letter will result in exclusion from starting school in September.
